Program Cancellation Notice for July 18, 19, 20, and 21

We regret to announce that all ranger-led activities will be cancelled on July 18, 19, 20, and 21. On these dates our staff of ranger-naturalists will be in training for the upcoming season of boat tours on Crater Lake. Boat tours are scheduled to begin on Friday, July 22.

We apologize for any inconvenience that this cancellation might cause. To learn about the park's natural history, visit the Sinnott Memorial Overlook at Rim Village. The overlook is open daily from 9:30 a.m. to 6:30 p.m. and features exhibits on the park's geology and lake research. It's located down a short walkway behind the Rim Village Visitor Center.
